FROM THE PRINCIPAL
Welcome back, I trust that everyone had an enjoyable break. I congratulate the students, parents/guardians and staff for the smooth start to Term 3. After an initial assembly, all classes began promptly and were down to business. Semester 2 is always an exciting time in the school, there is a lot to look forward to. For some of our students it will be their last semester at the school, to those students I encourage you to make it as positive and as exciting as you can, ‘a semester to remember’. It is great walking around the school and seeing our students excited to be back and enthusiastically engaged in their learning. Thank you to all the staff, student and parents I have met, for the warm welcome. I am excited to be appointed as the Principal of Freshwater Bay Primary, it has a wonderful reputation as a school of excellence and achievement. The school is blessed to have such committed and dedicated staff and equally supportive and involved parent community. I am very impressed by the village feel in the school where there is genuine warmth and pride. The students are kind, well, mannered and it is obvious that they give their best effort. I am looking forward to meeting you over the coming months.
