Asher Dragun
Principal
Freshwater Bay Primary School
Cnr Bay View Terrace/Princess Road
CLAREMONT WA 6010

Dear Asher

I refer to the one year follow up review for the leadership, use of resources, teaching quality and student achievement and progress domains following Freshwater Bay Primary School's Public School Review in Term 1, 2023.

I am advised that Gary Crocetta, Director, Public School Review and Julie Roberts, Principal, Wattle Grove Primary School, met with you, your deputy principals and members of staff, to consider the extent to which the school has made sufficient and sustainable progress against the report's recommendations for the domains listed above.

The advice received confirms the school has demonstrated sufficient and sustainable progress towards meeting the Standard in relation to the recommendations in each domain.

I am informed that the school has taken steps to engage staff in consultative and collaborative processes, with a focus on strengthening school-wide approaches, in order to improve the levels of student academic achievement and progress.

Freshwater Bay Primary School is to be congratulated for its professional commitment by first, noting the areas for improvement and second, implementing strategies that have resulted in the improvements desired.

The next Public School Review of Freshwater Bay Primary School, inclusive of all domains, is to be scheduled for 2026. You will be formally notified in the 2 terms leading up to your school's scheduled review.

I wish you and the staff continued success in your endeavours to provide high quality education for your students.

Yours sincerely
