Uniform Policy

POLICY STATEMENT

This policy provides guidelines for the implementation of Department of Education and Training policy. Further, it provides enrolling parents with clear school expectations that need to be agreed to prior to enrolment. It sets out the requirements for clean and appropriate dress, giving school expectations of personal presentation for students whilst at school and when representing the school out-of-hours. It sets out the agreed measures for dealing with students not following dress code and grounds for modification or exemption for individuals.

RATIONALE

The School Council has decided on a dress code for all students attending school believing it will:

- foster and enhance the public image of the school;
- assist in building school and team spirit;
- ensure students are safely dressed for attending specific school activities;
- encourage equality among students;
- prepare students for high school and the demands of the society.

POLICY RULES

- Acceptance of enrolment assumes that parent/guardian and student have agreed to conform to this code.
- Exemption/modification to the code for individuals will be considered for religious or health reasons. Parents need to make an appointment with the Principal to gain agreement prior to carrying out modification/exemption.
- Students should ensure that they take appropriate precautions for protection against the sun at all times.
- Students are expected to wear school uniform to school each day unless provided with an exemption.
