Principal's Report

Dear Parents and Guardians,

Today we had 410 students attend school. The energy in the school is amazing. The students moved through the drop off process extremely well. There are a couple of things for you to do to help us streamline the drop off and pick up process;

PLEASE DO NOT BRING YOU CHILDREN BEFORE 8.30AM- The directives are clear for us to not open the school before 8.30am. We do not have the quantity of staff to cover before school supervision and also meeting children. Between 8.30am and 8.45am children go straight to class.

DROP OFF AND PICK UP (THE NEXT FEW DAYS WILL BE WET)

- Please be extra watchful and patient as we ensure that every student is safely moved to their parent's car.
- We have arranged for umbrellas to support student's movement to cars.
- When dropping off or picking up your child/ren at the CUBE, we ask you to turn left onto Princess Rd. This will prevent congestion. If you need to get back onto Bayview Tce take the first right at the church, then the next right to Bayview Tce.
- **For Kindy Parents. Tomorrow morning**, parking space in the rear Cube Car Park will be cleared for you to park and walk your child up.

Point of interest There are somethings that make you stop in your tracks and say 'how amazing is that?' This was on the news last night, an extraordinary feat of strength.

Watch *Game of Thrones* Actor Hafthor Bjornsson Break the Deadlift World Record

Thank you for your ongoing support.

Kind regards

Simon
