Principal's Report

Dear Parents and Guardians,

Information for this coming week.

1. Friday is a Pupil Free Day.
2. **SCHOOL HOURS** have returned to normal for Years 1 to 6 students who are to be released at 3pm on the bell. K and P students will be released at 2.45pm—those with older siblings will be supervised at the Kiss & Drive zones until 3pm pick up.
3. **DRINK BOTTLES.** Reminder that students must have a drink bottle. They aren't able to use the drink fountains.
4. **BIRTHDAY TREATS** are allowed. Please be mindful of allergies. Treats must be packaged food, nothing homemade. Teachers will hand out treats that are in one packet to be shared.
5. **PARENT MEETINGS** if you wish to have a meeting with your child's teacher please contact them and one will be arranged. Please come to the Front Office.
6. **LOST PROPERTY** – We are having a great deal of lost property as a result of students taking jumpers off when the day warms up or they get hot from running around. We will get the clothing back to the student. Also we are finding water bottles and plastic lunch containers without names. This makes it very difficult for the Student Leaders who have a focus on sustainability and service. **They want to do a good job, please help them by ensure all clothing and items are named.**
7. **RESTRICTIONS** still in place. No parents to come onto school grounds.
8. **KEEP CHILDREN HOME IF THEY ARE UNWELL.** Thank you to all the families who have kept their children home if they are unwell.
9. **SCHOOL REVIEW SURVEY.** We would appreciate you time in completing a survey. The information is very important in our planning for 2021-2024 Business Plan. It will be coming out shortly please look out for it.

Parents, please continue to work with us to maintain a safe and healthy community

Keep your child at home if they are unwell, including a sore throat, cough, fever or headache.

Please take your child's temperature in the morning before school and at night. Should your child have a high temperature, please keep them at home.

Thank you for your ongoing support. Please let me know if you have any questions or you see issues that may need to be addressed.

Kind regards

Simon
