Principal's Report

Dear Parents and Guardians,

We had another exciting day and now over the two days we have had over 90% attendance of our children. Well done again to everyone for how smooth both days went. Thank you to everyone for your support with implementing all our addition requirements. I acknowledge how challenging it has been for you and I want to reassure you it has made a difference. Tomorrow will present some challenges as we will have all classes of children coming. I urge all parents to be a little patient at the beginning and end of the day.

Please note;

8.30 Start to the day

- **Do not send your children to school if they are sick in any way.** (persistent cough, runny nose, headache, temperature etc)
- Ensure you have the Skoolbag app on your phone for messages and absences.
- Ensure your children know where they are to be picked up.
- If you want your child/ren to walk to an alternative location offsite than the pick-up and drop off places please make this clear to your child so that we know and can support this.

Point of interest

It is important that all significant events that are on the school calendar go ahead in some way.

Tomorrow we will have a ceremony for ANZAC Day. The School Leaders will lead the ceremony and it will be WebEx live to all classes so that every child in every room can participate. The ceremony will be recorded and put onto Connect for all families to view at home.

Thank you for your ongoing support. I am looking forward to an exciting term.

Kind regards

Simon
