Principal's Report

Dear Parents and Guardians,

Thank you for your understanding with pick up and drop offs and the added challenge of the inclement weather. We have an extraordinary team of people working in our school. The smoothness of how the school has moved back into full operation is because of their skill, commitment and teamwork.

- 92% attendance for both Monday and Tuesday
- Students all excited about being in the school
- Normal classroom routines are in place
- School cleaning processes are working well
- Students have quickly learnt the new routines for movement around the school and classrooms
- Pick and drop off procedures are working. We will review them at the end of the week
- We will be doing our first assembly on Friday. CUBE One. You will see this on Connect
- On Friday I will be sending out an outline for the remainder of the term

Thank you for your ongoing support.

Kind regards

Simon
